# EC Certificate of Factory Production Control (FPC)

## 2273 – CPR – 0025

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011  
(the Construction Products Regulation or CPR)  
it has been stated that the construction product:

### Structural Components for Steel Structures

Harmonised	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1: 2009 + A1:2011	Load bearing structural steel components up to EXC 4 according to BS EN 1090-2:2008 + A1:2011	1, 2, 3a and 3b table A.1 of BS EN 1090-1: 2009 + A1:2011

placed on the market by

## John Parker and Son Limited

and produced in the factory(ies)

Vauxhall Road, Canterbury, Kent, CT1 1HD  
Fishgate Terminal, Basin Road South, Portslade, Brighton, BN41 1WF

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 2273 – Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

<b>Attestation</b>	This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard: <b>BS EN 1090-1: 2009 + A1:2011</b> were applied.
<b>Date of first issue</b>	June 2012
<b>Date of this issue</b>	6 May 2016
<b>Date of expiry</b>	by 31 May 2019
<b>Validity Period</b>	This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.

## **BS EN 1090-1:2009 + A1:2011**

### **John Parker and Son Limited**

#### **Factory Production Control Schedule**

**Certificate number: 2273-CPR-0025**

**Product Type(s)/Range(s):**

Universal beams and columns, rolled steel joists and channels  
Rectangular, square and circular hollow sections  
Sheet and plate

**Parent material(s) (including quality levels):**

Up to BS EN 10025 S355JR  
Up to BS EN 10219 S355J0H  
Up to BS EN 10025 S355J2  
Up to BS EN 10210 S355 J2H  
Up to BS EN 10088 1.4 X Series

**Execution class(es) (in accordance with BS EN 1909-2:2008): 1, 2, 3 and 4**

Limitations (where applicable):  
None

**Welding Processes:**

(As per EN ISO4063)  
None

**Responsible Welding Co-ordinators:**

(As per EN ISO 14731)  
None

<b>Date of first issue</b>	<b>June 2012</b>
<b>Date of this issue</b>	<b>6 May 2016</b>
<b>Date of expiry</b>	<b>by 31 May 2019</b>

**Validity Period**

This certificate remains valid as long as the conditions laid down in the technical specification in reference (in connection with BS EN 1090-1:2009+A1:2011) or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.
